welcome guest, Susan Schellenberg, researching
our incorporation (originally a Chris ~~Boly~~ ^{Boly}, at an
expense of \$80.⁰⁰ in 1982)

Susan explained "incorporation" for non-profit
organizations, and tax-exemption status (under a
total of \$5,000 assets, an organization is automatically
tax-exempt)

Her findings to date; Le Hi Ho has been
incorporated as of July 9, 1982 (filed in
Harrisburg): It will be necessary to submit

amendments to our Articles of Incorporation
(at a cost of \$40⁰⁰) prior to a time when we would
need to file for tax-exempt status (\$5,000 budget)
if & when
- need to fill out form for IRS
- need to locate Articles of Incorporation (from
Chris Poltz or Harrisburg) which were filed
July 9, 1982.

By-Laws for Le-Hi Ho, Inc.

- committee chosen to re-write By-laws for
State & IRS purposes.

Great appreciation given to Susan's extensive
research and reporting (Thank you, again, Susan)
